

James' €3,000 bag pack

In 2024 James raised €3,000 from a 2 day supermarket bag pack. He almost hit his target with a few mates and this one incredible fundraiser. It wasn't a one off - He did another this Christmas just for fun and raised €1,500

James top tips - The magic formula

1. Choose a supermarket with **plenty of checkouts**.
2. **Go in person** and speak to store manager - take your letter of authority as they ask for it.
3. If you need proof of **insurance** ask the team at MRF.
4. Book in a **couple of bag packs** there and then to set you up to smash 100%.
5. Easter best time for lots of tills open as well as being **super busy**. I did it when I went back at home.
6. **Most important!** Call in that favour - recruit some friends and family to help you out. (buy them a pint or doughnut after!)
7. Have tins or buckets for **everyone and GiveStar set up for contactless payments**.
8. **Chat and be a friendly** happy chappy. Ask how they are, share about your amazing trip and MRF. Know when it's enough!
9. **Say thank you**
10. **Remember my simple magic formula that got me €3,000...**

...Easter weekend. Enough check outs. 5 friends!
