Own Ideas:

Quiz time!

It's really important for you to know a bit about the charity you are supporting and to have a think about some potentially negative comments/questions you may be faced with when you are fundraising. In small groups, think about and jot down some ideas and possible answers/responses to each of the following questions/statements.

1. How does MRF combat meningitis?
2. What does the money you raise go towards?
3. Aren't I just paying for you to go on holiday?
4. I don't have much money, I don't think a small donation from me will make any difference.
