Abbie's highlight:

Abbie is a great example of how combining both little and large fundraisers is often the key to success. Her Christmas bingo night was such a success (raising nearly £900!) that she replicated it in the Easter holidays. This is a great idea, if you find an event that works well for you then don't be afraid to repeat it!

Abbie's advice:

"Always think about what your next event is going to be, even if it's only a small one. And always remember why the charity is important in order to keep you motivated!"
