

# Involve friends and family

## With your friends and family

- Ask for donations instead of presents for birthdays/Christmas
- See if you can organise a non-uniform day at a school
- Organise a swap shop evening

## With your groups/teams

- Can you sneak in a fundraising element to an existing event e.g. a raffle night at a social club
- Get everyone to group together to participate in a bag pack or collection
- Set up a 'fines' jar-make a donation if you turn up late or forget something

## At work

- Organise a dress down day or dress in purple for a donation
- Have a bake sale
- Run a sweepstake

Don't forget to involve your amazing network of friends, family and any groups you are part of during your fundraising journey!
