

Our top tips for success!

We've listened to our star fundraisers and to help you make the most of your fundraising journey we've put together a list of our top tips for success.

Plan

Create a plan before you start

Focus on the goal

Remember why you are fundraising and let others know

Make the most of online fundraising

The quick and easy way to collect sponsorship and make the most of Gift Aid

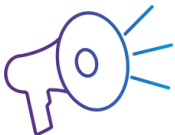

Get friends, family and colleagues involved

Help spread the work by getting others to help you out

Make the most of free donations

Gift Aid and matched funding can boost your total, make sure you know how

Shout about what you're doing

Use social media to let the world know how they can support you

Order your free resources

T-shirts, posters, sponsorship forms and more to make your event a success

Say 'Thank You'

Don't forget to say thank you to everyone who donates and helps you along the way!
