### Layna's highlight:

Layna's fundraising demonstrates the amazing potential of street collections – raising over two-thirds of her target from these alone, and collecting an average of £153.68 at each individual collection! (Top tip: follow in Helena's footsteps and maximize the amount you raise at street collections by dressing up in fancy dress!)

### Layna's advice:

"Fundraising is a brilliant way of gathering financial support for something I couldn't otherwise afford to do as well as supporting a truly beneficial cause. You'll meet lots of new people and with proper planning and some creative fundraising ideas you can have lots of fun doing it too!"
