Do you have personal experience of meningitis and septicaemia?

If you have been bereaved as a result of these diseases let us know, and we can record the donation in their memory.

If you organised or took part in an event to raise this money please let us know what you did.

Tax relief: make your gift worth more at no extra cost to you.

If you are a **UK taxpayer**, for every £1 you donate, we can claim a further 25p from the Inland Revenue.

I would like Meningitis Research Foundation to reclaim tax on all donations I have made within the last 4 years and on any donations I make in the future. I am a UK tax payer.
