

Recycling your MRF Fundraising Resources

Collection tins/buckets

We love reusing our tins/buckets, please send yours back when you are finished.

Stickers

Please dispose of the sheets via general waste. We have not yet found a recyclable alternative.

MRF banners

These are 100% recyclable and can be recycled via your household plastic recycling box.

Cardboard collection boxes

Recycle these via your household cardboard recycling.

Paper resources

Recycle via your household paper recycling - check for any sponsorship forms first!

Balloons

Please dispose of balloons via general waste (MRF balloons will decompose in 6 months - the same as an oak leaf!)

Only use balloons inside to prevent accidental release.

Any unused resources

Anything you don't use please send back so we can send it out to other amazing fundraisers!

www.meningitis.org

"I sent my fundraising bucket back so other fundraisers can use it to hit their target!"

- Amelia Ireland, Three Peaks
